Health & Safety Statement Of Policy

Our policy, so far as is reasonably practicable, is to provide and maintain safe and healthy working conditions, equipment and systems of work for all our employees, casual labour and voluntary helpers, and to provide such information, training and supervision as they need for this purpose.

We will also endeavour to ensure, so far as is reasonably practicable, the health, safety and welfare of all members of the congregation, contractors, visitors and others who may visit the Church, its grounds and any associated buildings.

The allocation of duties for safety matters and the particular arrangements that we will make to implement the policy are set out within the policy below.

The policy will be kept up to date, particularly in the light of any changes to our buildings or activities. To ensure this, the policy and the way in which it has operated will be reviewed regularly and the appropriate changes made.

In order to ensure that Health and Safety matters are kept constantly under review, Health and Safety and this Policy will be reviewed annually at the Business Meeting of the Trustee's Leadership Team, but where necessary any Health and Safety issues which arise in the interim will be dealt with under AOB.

Employees and Voluntary Workers will be consulted on a regular basis in order to seek their views on Health and Safety matters.
