ENCOUNTER
YOUTH WEEKEND

the weekend

The Encounter youth weekend 2022 is taking place 11th to 13th February for anyone in school years 7-13. It's going to be a packed programme with all kinds of outdoor pursuits, lots of fun games and activities and times of worship and meeting with God. There's also going to be lots of time and space to chill out and relax in the comfortable surroundings of Avon Tyrrell..

the location

We are returning to Avon Tyrrell, an Outdoor Activity centre in the New Forest (the address is in Bransgore, BH23 8ED) and the site of our 2020 weekend away. It's a beautiful place with comfy rooms and good food, and all sorts of outdoor activities overseen by their fully qualified instructors. They also have extensive grounds and all weather sports areas that we can use for games and activities outdoors and space inside with table football, table tennis and a pool table.

As Avon Tyrrell is relatively nearby we are keeping costs down by asking you to drop your children on the Friday night and collect them on the Sunday afternoon. If this will be a problem please speak to us and we can probably arrange lift-sharing.

the next step

It is going to be a super fun weekend! If you want to join us please fill in the booking form and return it to your Youth Leader with your deposit so we have it by Encounter on 28th November to reserve your place. After Christmas we will send out a kit list, a medical form and lots more details.

Any questions please contact Paul: paul@thornhillbc.org.uk | 07866 108163

what are you made of?

Are human beings just the animals that got lucky, won the evolutionary lottery and rose to the top of the food chain? Or is there more to being human than that? Over the weekend we are going to pause a few times to take a look at what the Bible says and, specifically, at what Jesus said about who we are and what we're made of..
