COMMUNITY ACTIVITIES at Thornhill Baptist Church

We are a community of ordinary people where everyone is welcome: the old and the young; the got-it-together and the battered-and-bruised by life; the convinced Christian and the unsure explorer. Community matters to us and so we are involved in a lot of community activities mid week and on Sundays too.

OUR ACTIVITIES

Craft and Chatter

Craft and Chatter meets on a Monday 10am – 1pm. We bring our own individual creative craft to do as we chat. We love sharing ideas and

celebrating our latest craft achievements together. And, we have access to the Well Being Café which offers delicious toasties and home made cakes. A great way to start the week!

Well Being Café

Open on a Monday 9 – 11.30am you can enjoy a cuppa, toast and homemade cake. We have a quiet area so that we can connect with ourselves and God, we have a craft area to explore our creativity and a breakout families room for when our children get tired of sitting in our main Café space. We can link you to a variety of community partners who attend Café either weekly or monthly. These include; Solent Mind, Home Group to help with housing related issues, Carers in Southampton, Social Prescribers from Living Well Partnership and our Café team include those who have offer Education and Employment related advice.

Coffee and Bowls

Meeting on a Wednesday, the group carpet bowl from 9.15—11.45am. A café runs alongside this group from 10am. Some come

for coffee and a chat and others for bowls but everyone stops for a coffee and snacks midmorning because this is a very sociable group. The bowlers love to teach newcomers all the tricks in the book and love the opportunity to pass the fun on. It costs £1.50 to bowl.

Frontline Debt Advice

Offers free and confidential debt advice to those who live in Thornhill and Harefield and are struggling to make ends meet. The team can review financial situations, prepare budgets and, if necessary, negotiate with creditors to arrange affordable payments and well as advise on welfare benefit entitlements. See the back of this leaflet for contact details

Thornhill Community Library

Working in partnership with others makes a huge difference in our community. We play an active part in Thornhill Community Library as do Southampton City Council and Plus You Limited. We provide a welcoming space which is as much about people as it is about books. And activities such as Healthy Headspace, Lego Club and Adult Knitting group are just some of the extra things that are going on

Food Hub

Our Community Food Hub supports those living locally who suffer from food insecurity by making available food that might otherwise go to waste. Open to all on a Friday between 1.45-2.45pm the food hub is as much about the people we meet as it is the food.

Messy Church

Imagine a church where religious language is banned and where we meet God through being creative, having fun, being family and eating. That's Messy Church!

Messy is taking a break at the moment so do keep an eye on our website for more information.

Local Action

Not everything we do is in our building. We love getting outside and supporting the communities of Thornhill and Harefield.

Working with other churches in the local area we like to get involved in Litter Picks and other practical local action initiatives.
