

## WHY WOULD I SERVE?

Being part of a Team and serving within the church is one of the most rewarding and enjoyable aspects of church life! Working in a team gives us a sense of belonging and community, it lets us become part of something bigger than ourselves, and it's fun!!

*Each of you should use whatever gift you have received to serve others, as faithful stewards of God's grace in its various forms.*

*1 Peter 4:10*

But there's more to it than that. Much more!

God is gracious enough to choose to work through his children and there is something fulfilling at the deepest level of our being about seeing Jesus at work and being able to think "In some small way I played my part in what God is doing here..." So serving is both an act of obedience to God and one of the key ways in which we grow in our relationship with God. A growing Christian faith will always leave us feeling dissatisfied with being just a consumer of church—deep down inside we long to join in. If that's you, read on...

## HOW DO I JOIN IN?

The first port of call is always to have a conversation with a Team Leader. If you are not sure who the right person to speak to is, have a chat with Astrid, Paul, Ella, or any member of the Leadership Team or Welcome Team and they will introduce you.

Each of us is unique in our mix of gifts, skills and creativity, enabling us to serve God, our community and each other in ways that nobody else can. You have a part to play, and we are incomplete without you!
